15 minutes a day · 30 days
Fun themes · Real-life words

How the Program Works

1

2

Every day has a new theme — home, school, food, animals and more.

3

On Days 5, 10, 15, 20, 25 and 30 play two review games: Word Race and Balloon Pop.

4

Work for about 15 minutes a day.

5

Keep it fun and relaxed. Mistakes are part of learning!

30 days · 450 words · Real topics

A simple routine that builds confidence.

Parent Guide

Say the word clearly.

Point to the picture and let your child repeat it.

Praise effort, not speed.

Mistakes are part of learning.

If a page feels hard,

do half today and finish tomorrow.

Let your child try first,

then use the answers if needed.

Keep sessions short and calm.

About 15 minutes is enough.
