Next level	Practise more

1 Find the right starting level

Have your child complete the Starting Check. Use the answer key to find where they need more practice, then start at that level.

2 Practise a little every day

Choose any worksheet from that level. Practise for 10–15 minutes, check mistakes together, and repeat until your child feels confident.

3 Check mastery before moving up

Let your child try a Mastery Check. Score 80% or higher? Move to the next level. Otherwise, keep practising and try another check.

Answers are at the back. Keep the answer key separate while your child works.
